2. Toys that we play with today are different to those our grandparents played with
3. Toys are made out of different materials now than in the past
4. Our lives today are different to those children who lived a long time ago
5. Know how to design, make and evaluate teddy bear ears

Toys

Robins: The Teddy Bear

The Design Process

Design

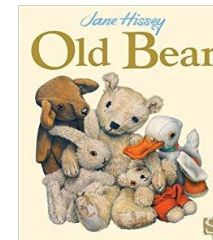

A pair of Teddy Bears to attend the picnic in disguise.

Make

Use a symmetrical template to sew ears together and stuff them.

Evaluate

What do I like/dislike about my ears? Could I make them better next time?

The first jointed teddy bears made in 1902.
